

COVERAGE THAT FITS YOUR BUSINESS

At Acadia, we pride ourselves on our “can do,” common sense approach to the business. This is especially true with Synergy Risk Management where we work closely with you and your agent to respond to the unique needs of your business. Other satisfied customers have told us that this personalized approach and delivery of services clearly distinguishes us from our competitors.

Acadia Synergy Risk Management integrates the expertise of our Underwriting, Claim and Loss Control professionals to help you control the exposures that lead to accidents. We work with mid-size business owners like you who are committed to the safety of their employees, customers and property, which in turn helps control insurance costs.

For more information, please contact your Acadia Underwriter or Branch Marketing Director.

Our Closer Coverage Commitment to You

To Acadia, Closer Coverage is a way of doing business. It means delivering common sense solutions and services to our customers that add real value. Here are some additional benefits of choosing Acadia Insurance.

Local Claims Service. We understand that any interruption to your business due to a claim or loss can be devastating. It is our goal to reduce or minimize any business interruption as quickly as possible. As an Acadia customer, you will receive support from our dedicated claims professionals who will guide you through the claim process in the event of a loss.

Loss Control Services. As an Acadia customer, you have access to our Loss Control Team, who can provide you with tools and resources to help you improve the safety of your business environment. Resources include training videos, checklists, and tailored loss control programs.

Flexible Billing Options. We offer multiple billing options, including seasonal billing so you can choose the right billing plan for you. In addition, you can pay your bill online or enroll in our payroll based billing option to pay your Workers' Compensation premium.

Financially Strong. Our long term commitment to the Northeast is supported by the financial strength of our parent company, W. R. Berkley Corporation with a financial strength rating of A+ (Superior) by A.M. Best.
